

# **Addendum 2**

## **LA01/2017/0221/F**

### **Update**

The objector at No. 88 Lodge Road has submitted photographs of the boundary treatment in the spring and summer months.

The applicant has submitted historical maps of the site and the surrounding area.

### **Consideration**

The objector has requested that the Planning Committee take into account, the boundary treatment of the site in the spring and summer months. One photograph of the boundary treatment has been included within the presentation for Committee consideration.

The applicant has submitted historical OS maps to support the arguments made by Mr John McFeely regarding the existing and historical plot boundary on site.

### **Recommendation**

That the Committee note the contents of this Addendum and agree with the recommendation to approve, as set out in paragraph 9.1 of the Planning Committee Report.
