1.0 Purpose of Report

The purpose of this report is to present correspondence for Members consideration.

2.0 The following correspondence has been received:

2.1 Justice for Reggie (dated 5th May 2021)

Summary

Correspondence dated 4th May 2021 has been received from Justice for Reggie, a campaigning organisation which was established in December 2020 in order to improve the animal rights/welfare of dogs in the United Kingdom and Ireland and generally raise public awareness of related matters.

Their first specific project is to campaign for tougher law and regulations on dog breeding and dog theft, two issues which have undoubtedly come to the fore during the Covid-19 pandemic.

They would like to discuss these issues generally with you and your relevant colleagues and possibly work with you on them if both parties felt this would be a positive move.

Copy correspondence is available on request.

3.0 Recommendation(s)

It is recommended that the Environmental Services Committee consider the correspondence.
