PSNI and NIFRS: No objections received from NIFRS

PSNI have objected to this application on the following grounds:-

- These premises are situated in a residential area of Portrush and Police have concerns that these hours would have a detrimental effect on the peace of the local area and the residents residing there.
- The potential for a public order situation arising from later drinking is increased therefore also impacting on the peace of the local area and of residents.

The Licensing and Registration of Clubs (Amendment) Act (NI) 2021 became law on 26th August 2021. The Act amends both the Licensing (NI) Order 1996 (the Licensing Order) and the Registration of Clubs (NI) Order 1996 (the Clubs Order). Section 3 of the Act allows pubs and hotels (which already have an Article 44 order) to apply to the courts for later opening for an additional hour, up to 104 nights in any year. Food and/or entertainment must continue to be provided during late opening.

As a result of the changes to the above legislation, this premises has applied to vary the entertainment licence hours to coincide with the hours permitted in the above Act. However, as noted above, PSNI have objected to the application due to concerns that extending the hours will have a detrimental effect on the peace of the local area and the residents residing there and that there is increased potential for a public order situation to arise from later drinking. Council is not aware of any substantiated complaints regarding noise emanating from the Atlantic Bar within the Londonderry Hotel.

Recommendation

It is recommended that Council consider the refusal of the variation to the entertainments licence for the premise
