

Addendum

LA01/2019/1390/F

1.0 Update

- 1.1 It has been noted that the Planning Application Certificate in relation to the red line of the site, relating to the access and visibility splays, may not have been served in accordance with Section 42 of the Planning Act (NI) 2011. The matter has been raised with the agent and it is recommended that the application is deferred to allow consideration and to ensure that notice has been served on the appropriate landowner.

2.0 Recommendation

- 2.1 That the Committee note the contents of this Addendum and agree with the recommendation to defer the application.
