Dear Mr Walker

**NOTICES OF OPINION – Londonderry Hotel/Atlantic Bar, Portrush –
LA01/2017/0689/F and LA01/2018/0446/LBC**

I refer to your correspondence of 27 October 2022 and 11 November 2022 enclosing the Department's Notices of Opinion in relation to the above applications and providing extension of time for Council to consider whether it requests an opportunity to appear before and be heard by the Planning Appeals Commission, or a person appointed by the Department for the purpose of a hearing.

I can advise that Causeway Coast and Glens Borough Council Planning Committee, at its meeting held on 23 November 2022 resolved **not** to request an opportunity to appear before and be heard by the Planning Appeals Commission, or a person appointed by the Department for the purpose of a hearing.

Yours sincerely

Denise Dickson
Head of Planning
