⚽⚽ Limavady Football Down the Years ⚽⚽

‘Limavady football Down the Years’ exhibition features a selection of photographs from Limavady author, Gerry Robinson’s recent book by the same title. Gerry developed this book to raise funds after hearing of a local woman requiring experimental treatment for cancer.

This free exhibition will display photographs of football players and teams in the Limavady area.

Coinciding with this exhibition is the Supercup NI, Premier Winners

2023 trophy and memorabilia now on permanent display within our new gallery space at The Roe Valley Arts & Cultural Centre.

The Nelson McGonagle Digital Archive

Now on display within our new gallery space at the Roe Valley Arts & Cultural Centre is a **Nelson McGonagle Digital Archive** where visitors can view Nelson's previous four publications which are now out of publication. Local historian, Nelson McGonagle has collected an array of images over many years, all chronicling the life and times of days gone by in Limavady and the Roe Valley.

The photos provide an interesting window onto the past and themes include sport social interaction and farming and street views, creating a fascinating insight into the history of Limavady and the Roe Valley, while highlighting interesting local characters from the 19th through to the 20th centuries. Outstanding success was achieved with the publication of Nelson's last four volumes. These were packed with nostalgic photographs and poetry and raised £16,000 for charities thanks to the generosity of local residents and businesses.

It is hoped his fifth volume will have the same success, with all

proceeds from this book going towards supporting Age Concern Causeway and Limavady Initiative for the Prevention of Suicide (LIPS).

Nelson's fifth and final book in his series, entitled 'Limavady and the Roe Valley – Sporting and Social Life' is available to buy through the Roe Valley Arts & Cultural Centre and is priced at £10.
