EXPLANATORY NOTES

1. The Street Trading Act (NI) 2001 came into force on 1st October 2001. It largely replaced the former legal controls over street trading that were contained in the Street Trading (Regulation) Act (NI) 1929.
2. The Act requires all traders to have a licence regardless of their method of trading. Therefore whether a trader operates from a stationary position, or from a mobile stall or vehicle or as a temporary trader, they will need to hold a licence.
3. A licence will be required to trade in the supply or offer of supply of a service as well as in the sale or supply of goods.
4. Separate applications are required for each **STATIONARY/MOBILE/TEMPORARY** trading type.
5. Council recommends that all licensed street traders hold current public liability insurance cover for the protection of themselves and the public.
6. A full face, coloured, passport sized photograph of the applicant is required.
7. Applicants must produce results of a Criminal Records Check carried out by AccessNI which must be valid within 2 years of date of application.
8. A photograph of the vehicle/stall/receptacle to be used for trading.
9. A **stationary trader** is regarded as a trader who trades on a regular basis (e.g. daily, or several times per week) from a stationary position in a street. Stationary licences can only be granted for streets or locations included within the Designating Resolution.
10. A **mobile trader** is regarded as a trader who trades from a moveable stall or vehicle, and who, during the course of that trading moves from place to place. A mobile trader who remains at the same location for longer than is reasonably necessary to deal with those customers frequenting their stall or vehicle will no longer be regarded as a mobile trader and may be considered to be a stationary trader.
11. A **temporary trader** is regarded as a trader who trades at a one-off event, e.g. festival, fair, etc. A temporary trading licence will be of short duration not exceeding 7 days. Not more than 5 temporary licences can be issued to one applicant in any period of 12 months.
12. A licence to trade as a stationary trader can only be granted for a street or part of a street that has been designated for street trading by Causeway Coast and Glens Council. The following streets* have been designated by Council for the purposes of trading as a stationary trader.

14. When applying for a licence to trade as a **mobile trader** the applicant should be as specific as possible with regard to the areas and locations at which they intend to trade.

15. A Street Traders Licence granted or renewed by Causeway Coast and Glens Borough Council shall remain in force unless otherwise revoked or surrendered for a period of 1 year from the grant of the licence or in the case of a renewed licence for a period of 1 year from the date on which the licence became due for renewal.
