3. PRESENTATION – DfI ROADS

The Chair welcomed D Porter, Divisional Road Manager, A Montgomery and J Middleton Section Engineers DfI Roads to the meeting and invited them to present the Northern Division Annual Report for 2017/18.

Mr Porter outlined that over the last 4/5 years the road maintenance budget had been less than ideal, leading to the Department delivering a limited service, with less grass cutting, gully emptying than previous years and targeting pot hole repairs rather than widespread resurfacing. He said that this year had started with a significantly increased capital allocation of £75 million.

Mr Porter highlighted that the budget would allow for increased number of repairs to both Trunk and Non-Trunk Road resurfacing schemes and street lighting upgrades. He said that £15 million of the overall allocation had been ring fenced as Roads Recovery Fund which would allow engineers to target roads deteriorated over the winter period.

* Councillor C McShane joined the meeting at 7:10 pm.

Members were advised that routine road maintenance activities were still under constraint and that DfI were able to commit to 2 grass cuts over the whole network, single gully emptying and intervention level for pot holes had changed from 100mm to 50mm.

- * Councillor Douglas joined the meeting at 7:15 pm.
- * Councillors Duddy and McCorkell joined the meeting at 7:18 pm.
- * Alderman McKeown joined the meeting at 7:20 pm.

Mr Porter paid tribute to staff in DfI Roads who continued to impress with their professionalism. He said that the winter period had been testing with rain, high winds and prolonged period of icy and snowy weather.

- * Councillor Knight McQuillan joined the meeting at 7:30 pm.
- * Councillor Stevenson joined the meeting at 7:35 pm.

In the discussion that followed, the representatives from DfI Roads Northern Division responded to Members queries on road issues throughout the Borough.

Councillor Stevenson was of the opinion that DfI Roads should have been assigned a special meeting slot rather than trying to get all Members queries heard within the given timeslot.

The deputation was thanked for their informative presentation.

- * The DfI representatives left the meeting at 8:00 pm

At this point the Chair took the opportunity to welcome Councillors McCaw and McGurk to their first full Council meeting.

**18. NOTICE OF MOTION PROPOSED BY COUNCILLOR MC CANDLESS,
SECONDED BY ALDERMAN HILLIS**

The Chair invited Councillor McCandless to state his Notice of Motion as follows:

“The Children’s Funeral fund was launched by the P.M. Theresa May in April 2018 thereby bringing England into line with Wales. The fund has been introduced into Scotland in May 2018.

Basically adopting this fund means that grieving parents will no longer have the financial pressure of meeting the costs of burials or cremations and the fee will be met by Government funding in Wales England and Scotland.

Unfortunately we have no functioning executive in Northern Ireland so realistically we would be unable at present to achieve this aim and there is no indication on the immediate horizon of any return, however we should still forward the sentiment of this NOM to the Dept for Communities to lobby for this cause and be ready to be presented for consideration by incoming Ministers.

To that end I would propose that we in Causeway Coast and Glens Borough Council follow the example set in other Councils in Northern Ireland by waiving, at this stage, the associated costs of opening a grave for children under the age of 18 in this Borough in any council controlled cemeteries. This is the least we can do as a gesture to stand alongside the bereaved families at the most painful moment in their lives and demonstrate our support for them in a practical manner.”

In accordance with Standing Orders, the Chair advised that the Notice of Motion be referred, without discussion, to the next Environmental Services Committee Meeting.

**19. NOTICE OF MOTION PROPOSED BY COUNCILLOR STEVENSON,
SECONDED BY ALDERMAN CAMPBELL**

The Mayor invited Councillor Stevenson to state his Notice of Motion.

“That members of this council are fully updated in regards to the details of the process leading up and including the transferring of Edward Street Social Centre to NICVA following the Council meeting of Tuesday 22nd May, 2018, during a call in period. That members are also updated as to the process and rationale for rejecting a call in on the decision not to take on ownership”.

In accordance with Standing Orders, the Chair advised that the Notice of Motion would be referred, without discussion, to the next Leisure and Development Committee Meeting.

20. NOTICE OF MOTION PROPOSED BY COUNCILLOR STEVENSON, SECONDED BY ALDERMAN CAMPBELL

The Chair invited Councillor Stevenson to state his Notice of Motion as follows:

That this council ensure that an Audit of Need and Options Appraisal in relation to Community Facilities is carried out in all towns in the borough with a population of over 5,000.
