1.0 Update

1.1 Seven letters of support have been received. The points raised are:

- Support for conferencing and other community related events to take place within the Causeway Coast Vineyard church facility.
- That the community facility is an excellent resource in the local area and approval would open up its use to many organisations including business, education, healthcare and community/voluntary where there is nothing comparable locally.
- The potential for personal usage of the facilities, specifically raised by Lynas, Coleraine FC, Culcrow Primary School, the Housing Executive and Coleraine College.

2.0 Recommendation

2.1 That the Committee notes the content of these letters of support and agrees with the recommendation to approve as set out in paragraph 9.1 of the Planning Committee Report.
