

Addendum

LA01/2017/1180/F

Full Planning

Update

A substantive response was received from Northern Ireland Water. No objections were raised to the proposal. Informative No. 17 is updated as follows:

17. Public water supply within 20m of your proposal, the Developer is required to consult with NIW to determine how the proposed development can be served. Application to NIW is required to obtain approval to connect.

Foul sewer within 20m of your proposal, the Developer is required to consult with NIW to determine how the proposed development can be served. Application to NIW is required to obtain approval to connect.

No surface water sewer within 20m of your proposal, developer is required to consult with NIW and may wish to requisition a surface water sewer to serve the proposed development and / or obtain approval from Rivers Agency for discharge to a watercourse.

Recommendation

That the Committee notes the content of this addendum and agrees with the recommendation to approve as set out in paragraph 9.1 of the Planning Committee Report.
