

<b>AFFORDABLE WARMTH SCHEME FUNDING- SERVICE LEVEL AGREEMENT</b>	<b>7 August 2018</b>
<b>TO: ENVIRONMENTAL SERVICES COMMITTEE</b>	
<b>FOR DECISION</b>	

<b>Linkage to Council Strategy (2015-19)</b>	
<b>Strategic Theme</b>	Resilient Healthy & Engaged Communities
<b>Outcome</b>	Continuation of part delivery of Affordable Warmth Scheme on behalf of Department for Communities
<b>Lead Officer</b>	Head of Health & Built Environment
<b>Income:</b> (if applicable)	£68,780.00

## **Background**

Members will be aware from previous reports that Councils work in partnership with the Northern Ireland Housing Executive to deliver the Affordable Warmth Scheme on behalf of the Department for Communities to help address fuel poverty and improve thermal comfort of low income households across Northern Ireland.

The Department in correspondence dated 11 June and revised 2 July the level of funding and number of referrals to be made by Council to the NIHE for the period 1 April 2018 - 31 March 2019 as follows:

Period	Number of Referrals/ month	Total Referrals
April-May	25	50
June	17	17
July-March	30	270
<b>Total</b>		<b>337</b>

The level of funding to be received is £68,780.00. This is a reduction of £4,525 from the previous year, but is offset by a reduction of 69 fewer referrals to be made within the period. Nevertheless, this will necessitate a reduction in the resources deployed to implement the scheme. It should be noted that the Department for Communities are currently reviewing the delivery model for the scheme and that the existing arrangements will remain in place for the current financial year.

The Department has also issued a revised Service level agreement (25 July) reflecting the number of referrals to be made and may be found at **Appendix 1**.

## **Recommendation**

It is recommended that Council accept the level of funding offered and that approval be given to the Head of Health & Built Environment to sign and return the Service Level Agreement for the year 2018-2019.

**DEPARTMENT FOR COMMUNITIES**

**and**

**CAUSEWAY COAST AND GLENS BOROUGH  
COUNCIL**

**Date: June 2018**

## **1. Overview**

The Department for Communities (DfC) is responsible for developing policy and implementing programmes to mitigate the effects of fuel poverty and improve the thermal comfort of low income households across Northern Ireland. The Affordable Warmth Scheme is DfC's primary scheme for tackling fuel poverty. DfC works in partnership with all local councils and the Northern Ireland Housing Executive (NIHE) to deliver the Affordable Warmth Scheme.

The Affordable Warmth Scheme targets low income households and delivers home energy efficiency improvement measures to qualifying households.

All parties will use opportunities during the life of this agreement to display a commitment to work together in support of Government aims to improve household energy efficiency.

## **2. Purpose of this Document**

The purpose of this Service Level Agreement (SLA) is to provide clarity in terms of accountability, policy, operation and reporting procedures for each of the parties and in particular to:

- reaffirm the scope of the scheme;
- describe the roles and responsibilities of each party;
- set out the financial arrangements; and
- detail the arrangements for monitoring performance in relation to the scheme.

The measures available under this scheme are listed at Annex 1.

## **3. Scope**

The Affordable Warmth Scheme aims to mitigate the effects of fuel poverty in targeted households living in severe or extreme fuel poverty. It is expected to reduce energy consumption in eligible private housing through home energy efficiency interventions.

The NIHE will maintain a central record of all completed surveys referred to it and their progress. When local council officials have completed the survey and referred the survey to the NIHE, any query regarding that application should be directed to the NIHE to resolve.

DfC will provide agreed funding to each local council to administer the Affordable Warmth Scheme. The NIHE will transfer agreed funds to each local council on a quarterly basis.

## **4. Roles and Responsibilities**

## The Department for Communities

(a) The Department for Communities will:

- provide advice to the NIHE regarding the policy of the scheme as required;
- provide each local council with data detailing the households to be targeted where appropriate;
- set a target for referrals which local councils will deliver to the NIHE annually and monthly;
- continually monitor and evaluate the scheme through reporting arrangements with the NIHE and local councils;
- seek feedback from its Social Welfare Group regarding Benefit Entitlement Checks;
- consider changes that will improve process or impact as the scheme develops;
- on completion of the scheme complete a full evaluation;
- provide reporting templates for local councils monthly progress reports.

## The Local Council's Role

(b) Each local council will be provided with details of households considered to potentially meet the conditions of the scheme. Each local council will:

- with the consent of the targeted householder, conduct a survey to collate and verify financial information to confirm eligibility for the scheme;
- have discretion regarding accepting self-referrals (as defined by DfC). Local councils **must** bear in mind that Affordable Warmth is primarily a targeted scheme;

refer a total of 337 completed surveys to their local NIHE Grant Office from April 2018 to March 2019, following the profile which will be set by NIHE. The number of self-referrals included in the total of 337 referrals should not exceed 20%<sup>1</sup>. Any change will be formally notified by the

- Department. Additional referrals will not be accepted without prior agreement with DfC and NIHE;

---

<sup>1</sup> This may be moderated by agreement to take account of local circumstances.

- the number of referrals may be adjusted in year due to budget change or scheme performance, however, numbers will be small;
- highlight urgent cases to the NIHE Grants Manager at the time of referral. An urgent case is defined as a household with no heating system, or central heating which is broken down beyond repair;
- ensure that when an application is received by Building Control that officials arrange for measures to be inspected. Building Control officials will confirm to the NIHE whether the installation is in compliance with the building regulations;
- provide householders participating in the scheme with information regarding energy advice;
- manage and respond to complaints concerning local council staff regarding the Affordable Warmth Scheme;
- meet with the NIHE and DfC at least quarterly to discuss the progress of the scheme and discuss any areas of concern;
- participate in both the established Senior Officer group and other ad hoc meetings as and when required;
- where the householder agrees, refer their details (name, address, contact number) to the Social Welfare Group for the purposes of conducting a Benefit Entitlement Check with them.
- Carry out additional duties such as handholding of householders and qualitative case studies of homes which have received assistance through the Scheme. (To be agreed following Workshop in June 2018).

### **The Northern Ireland Housing Executive's Role**

- (c) The NIHE is a non-departmental public body. Therefore it will not be a signatory to this SLA as the DfC and the NIHE has an established accountability process. This accountability process sets out the controls to be exercised over the different areas of the NIHE's activities by the DfC directly or by the NIHE itself. The prime purpose is to assist the Permanent Secretary of DfC in discharging his responsibilities in relation to NIHE systems and as such represents a formal statement by DfC of the standards it requires the NIHE to achieve in relation to the probity of activities.

## **5. Financial Arrangements**

Local councils will be responsible and accountable for the management of the Affordable Warmth budget allocated to them. Each local council must ensure the Affordable Warmth budget is ring fenced for Affordable Warmth activities.

## **6. Monitoring & Reporting**

Each local council will provide the DfC with monthly progress reports regarding the number of:

- surveys completed;
- the number of self referral surveys completed; and
- numbers and details of referrals to other schemes or services.

Local councils will share any Audit recommendations concerning Affordable Warmth and consider those to improve the management of the scheme. This will be done in consultation with DfC.

## **7. Accountability**

Overall accountability for the delivery of the scheme rests with the Accounting Officer of DfC as the funding department. However, each receiving organisation is accountable for its own finances and ensuring that appropriate controls are in place in order to provide them with the necessary assurances regarding expenditure.

## **8. Limited Liability**

The local council shall have no liability to the Department for any loss or damage sustained by the Department as a result of the Department relying on any information supplied to it by the local council under this agreement.

## **9. Termination of SLA**

Once entered into, the SLA can be terminated within three months written notice from any Party. Any party may also terminate the Agreement without notice, for any of the following reasons:-

- a) any breach by the other of its obligations under this Agreement; and

- b) in the case of a breach capable of rectification, where such breach has not been rectified by the other party within 14 days of it being given notice of same.

## **10. Confidentiality and Data**

All Parties are to take cognisance of the Data Protection, GDPR and Freedom of Information legislation. Appendix 2 sets out an agreement for the processing of personal data for the DfC and the NIHE.

The tablets have a security feature that secures all data being stored on and transmitted to a device and provides functionality to lock down and wipe data from a device if it is lost or stolen.
