1.0 Background

- 1.1 The "Protocol for the Operation of the Planning Committee" sets out the requirement to provide monthly updates on the number of planning applications received and decided.
- 1.2 The Northern Ireland Planning Monitoring Framework sets out the new reporting arrangements to the Department of Infrastructure which come into effect on 1st April 2019. DfI's Analysis, Statistics and Research Branch (ASRB) will continue to publish the official statistics on a quarterly and annual basis. The Framework includes the three statutory planning indicators in addition to new non-statutory indicators.
- 1.3 This Monthly Statistical Report provides Members with unvalidated statistics in relation to how Council's Planning Department and Committee are performing against the Framework indicators.

2.0 Details

- 2.1 [Website link 1](#) and [Website Link](#) provide a list of planning applications received and decided respectively by Causeway Coast and Glens Borough Council in the month of December 2019. Please note that Pre-Application Discussions; Certificates of Lawful Development – Proposed or Existing; Discharge of Conditions and Non-Material Changes, have been excluded from the reports to correspond with official validated statistics published by DFI.

Furthermore, the number of applications decided/withdrawn is greater than the number of applications received resulting in a reduction in the number of live applications in the system.

2.4 *Indicator 3: proportion of enforcement cases progressed to the target conclusion within 39 weeks*

Standard – 70% of all enforcement cases progressed to target conclusion within 39 weeks of receipt of complaint
