Strategic Theme	Resilient, healthy & engaged communities
Outcome	Promote stable and cohesive communities
Lead Officer	The Funding Unit Manager
Cost: (If applicable)	£132,075.25 (From Ulster Wildlife Trust LCF Budget)

The purpose of this report is to recommend grant decisions and awards to ENTRUST (Landfill Regulator) for projects to be supported under the Landfill Communities Fund for the 2019-20 period.

Introduction

The Landfill Communities Fund (LCF) is regulated by ENTRUST (Landfill Regulator) and managed by her Majesty's Revenue & Customs (HMRC).

The Landfill Communities Fund is an innovative tax credit scheme that enables Landfill Operators to use some of their landfill tax to directly fund projects that improve the lives of communities living within a 10 mile radius of landfill sites. Causeway Coast and Glens Borough Council operate the Craighuiller landfill site in Portrush. Council are able to claim a credit against their landfill tax liability, they then make this contribution to Ulster Wildlife, the registered Environmental Body who administers this fund on behalf of Council.

Applications are assessed and scored by Ulster Wildlife and presented to Council for approval. Successful projects are submitted to ENTRUST (Landfill Regulator) whose role is to ensure that the LCF monies are spent by organisations on projects which comply with the objectives set out in The Landfill Tax Regulations 1996.

Strategic Context

Causeway Coast and Glens Borough Council review and agree the Landfill Communities Fund Policy and programme on an annual basis (November 2016, November 2017, November 2018)

The policy sets out a framework for the processing of Landfill Communities Fund applications.

The overall aim of the process outlined in the policy is:

"To ensure a consistent and transparent process with proper and accountable procedures is in place".

To be eligible for an award projects must be located within a 10 mile radius of a licensed landfill site within Causeway Coast and Glens Borough Council area. Applications must be made under one of the following Objects set out in the Landfill Tax Regulations 1996:

- Object D - Public Parks and Amenity
- Object DA - Conservation of Biodiversity; or
- Object E - Restoration of Religious Buildings or Buildings of Architectural or Historical Interest.

Background

In April 2016 Council appointed the Ulster Wildlife Trust as the Environmental Body to administer the fund on behalf of Council for a three year period.

In November 2018 Causeway Coast and Glens Borough Council agreed the Landfill Communities Fund programme and criteria for 2019-20. (See **Annexes A, B, & C**)

The fund opened for applications on 4th December 2018 and closed on 6th February 2019.

- Seven applications were received with requests to the fund totalling £141,806.50. One application was ineligible and did not proceed to scoring and assessment.
- Six applications totalling £133,856.50 were assessed and scored. Each scored higher than the 65% minimum threshold and are therefore recommended for funding. (Full project details at **Annex D**).

Stage 1: Eligibility Assessment

1 x application applied under Object DA: **Biodiversity Conservation and Enhancement Programme** failed to satisfy the following eligibility criteria (Full Criteria set out in **Annex B**):

- Project site owned by applicant or satisfactory access arrangements in place.
- Source of match funding clearly stated and in place.

Name of organisation	Project	Outcome
Conservation Volunteers	Biodiversity Improvements to sand dunes at the White Rocks - £7,950	No Land access arrangements , No match funding - <i>Ineligible</i>

Stage 2: Assessment & Scoring:

6 x applications were assessed and scored against the full criteria. (Full criteria set out in **Annex A and C**).

	Applicant & Project	Score	Total project costs	Amount requested	Amount recommended
1	<i>Limavady Cricket & Rugby Football Club-Community Gym</i>	100	£60,533.00	£30,000 49.56%	£30,000.00

			1,026,296.00	£133,856.50	£132,075.25

Recommendation

As per Council's Landfill Communities Fund Policy approval of projects is at the sole discretion of Council and will be dependent on the current available LCF funds.

The current available funds are £99,189.71. This will rise to approx. £135,000 when the Jan-March contribution is received by Ulster Wildlife Trust in April.

It is recommended that Council award funding to projects 1-4 totalling £75,356.50

It is recommended that Council award funding to projects 5 and 6 totalling £56,718.75 when the April funds become available.
