Background

As members are aware, Causeway Coast and Glens Borough sought tenders for the full administration of the fuel stamps scheme on our behalf. Limavady Community Development Initiative (LCDI) was the successful bidder and has commenced the administration of the new scheme on 1st February 2018 following the rebranding and re-launch of the scheme by the Mayor, Councillor Joan Baird on 31st January 2018.

Causeway Coast and Glens Borough Council wish to thank St Vincent de Paul St Johns Conference for their commitment and dedication delivering this initiative on behalf of Council up to the point of the new contract becoming operative.
