

Addendum

LA01/2018/1379/F

Update

Correspondence was received from Northern Ireland Transport Holding Co, on 21st March 2019.

Northern Ireland Transport Holding Co have stated that they have no objections to the proposed development in principle subject to the following informative:

- 1) If plant and machinery access to the area of works is via the Masonry Arch structure at Eglinton Street, the Contractor is to contact NIR to have a joint inspection prior to bringing any plant through the arch barrel. Contact to be made with NIR Third Party Works Engineer Tel: 02890600366.

Recommendation

That the Committee note the contents of this Addendum and agree with the recommendation to **Approve**, as set out in paragraph 9.1 of the Planning Committee Report.
