Good morning Denise,

we are writing to ask you to refrain on making an 'approval' decision on the planning application LA01/2020/1390/F this Wednesday 28<sup>th</sup> February 2024.

We notice that it is not for discussion within the committee, however, having read the report submitted, we note that it contains quite a few discrepancies and fabricated facts. There are matters which we feel have not been addressed and statements made which cannot be upheld.

Over the weekend, we intend to put our concerns into a formal letter and will have it with you by 9am on Monday morning. In the mean-time, we hope you will be in a position to put a hold, for now, on any decision being made until you have had a chance to consider our very valid reasons for more robust assurances to be adhered to.

Kind regards, Fiona and John Mort.
