**Proposal: Erection of a freestanding single storey restaurant with carparking, drive thru, landscaping and associated site works to the site. Installation of 2 no. customer order displays (COD) with canopies and a children's playframe**

**Present:** Alderman Boyle, McKeown, S McKillop, Councillors Baird, Hunter, McLaughlin, Dallat- O'Driscoll, Scott, McMullan, D Dickson, S Mathers

**Comments:** From the application site, officials set out the location and orientation of the proposed development including the drive through lane. The acceptability of the development in principle was explained. The access and car parking arrangements were set out. The relationship with the side façade of the Lodge Hotel and separation distance of 20m (building to building) was explained and that this was understood to comprise bedrooms. It set out how noise and odour assessments had been submitted and found acceptable by Environmental Health subject to specified mitigation measures. Members asked about the detail of the separation distance to the boundary. Measuring off the plans, details were provided accordingly. Members asked about exterior lighting. It was confirmed that exterior lighting was proposed and that the Environmental Health Department had raised no objection. Members asked about the location of external plant. It was explained that this was roof mounted and out of sight given the parapet. Members asked about the potential for relocation of the development within the application site. Officials explained that while this was possible, such a request had not been made as it was not considered necessary. Members noted these points accordingly.
