Subject: Incorrect boundary area on planning proposal LA01/2022/1587/F

Dear Joy

Many thanks for the phone call earlier today. As discussed, the image below illustrates my objection to the planning proposal LA01/2022/1587/F on the grounds of site/development area map is incorrect.

I live at number 8 Sunset Ridge and the area shown in map below to the rear of my property is part of my property as purchased from previous owners.

The red line on the map shows the boundary between No. 8 and No. 10 and blue nine indicates the correct boundary line. Please note the blue line extends at right angles across the former lane way and area A is now incorporated into the area at the rear of my property and does not form a part of the development area of No. 12 as shown on the submitted plans.

Your Sincerely
Colm Lowery
