**Proposal: (Retention of) Garage to side of dwelling with 1.8 metre high fence to side of garage.**

**Present:** Councillors Dallat O'Driscoll, Hunter, Baird, Nicholl, Anderson, Scott  
Officials D Dickson, M Wilson.

**Comments:** The Officer identified the site and that the fence and garage are in situ with the proposal seeking their retention. The Officer explained the proposal initially sought an additional access onto Cairn Road but following concerns raised by DfI Roads this part of the proposal had since been removed. Members sought clarification on any objections and it was confirmed there had been one objection from No.14 Cairn Road.

Several Members queried development at other properties on the corners of Greystone Park with Cairn Road. Members observed these developments and the subject proposal from the corner of Cairn Road with Redlands Crescent, and other vantage points along Cairn Road.
