1. THE MAYOR'S BUSINESS

The Mayor addressed the meeting:

'Good evening everyone and welcome to our full Council meeting for July.

I hope you are all having a lovely summer so far, and have had a chance to enjoy the exceptional weather which we have been experiencing recently.

July has proved to be a very busy month with lots happening on the sporting front. I was delighted to represent Council at the SuperCupNI squad launch at the Maldron Hotel in Derry and at a reception ahead of the O'Neills Foyle Cup. Council is a proud supporter of both of these events which help to bring people in to our area, promote an active lifestyle for our young people and showcase our terrific sporting facilities.

My thanks go to everyone involved with both tournaments and I wish the organisers continued success.

Staying with this theme, I travelled to Carnoustie at the weekend to experience The Open as we countdown to its return to Portrush next year. It is clear that this event presents tremendous opportunities for the Causeway Coast and Glens area as we prepare to welcome a huge number of visitors alongside golf's biggest stars. There can be no better showcase for the area and I have no doubt that we will stage a spectacularly successful event which will leave a lasting legacy beyond 2019.

I would like to take this opportunity to offer my congratulations to Cushendall Golf Club which recently celebrated its 80th anniversary. The club has produced an excellent new book, written by Denis O'Hara, and I was honoured to attend its launch earlier this month and learn more about their story so far.

Next month, I am supporting a fundraising event organised by TinyLife, my chosen charity in my year as Mayor. It offers important support to the families of premature and vulnerable babies and the sponsored incubator push on August 18th will raise vital funds and awareness of the charities work. I know from experience the difference that TinyLife can make, and I would encourage you all to show your support for the charity as well.

Before I finish, as you all know the area was dealt a cruel blow earlier in the month as news emerged of the tragic and untimely death of William Dunlop. My thoughts and sympathies remain with William's family, especially his partner and young child. He was a great sporting ambassador of the Causeway Coast and Glens, who was revered by sporting fans near and far. As a reflection of this, I opened Books of Condolence in our four main towns and my thanks go to everyone who took the opportunity to sign them. I hope the words of the comfort they contain will go some way to easing the family's pain and loss.'

Councillor Stevenson thanked the Mayor for her comments regarding William Dunlop and said he had attended the large funeral. He also acknowledged the deaths of local historian Alex Blair and former Ballymoney Councillor Harry Connolly.

Councillor Stevenson further acknowledged that local Health Care Assistant Eleanor Coulter, had reached the top 10 in the 70 most respected people in the NHS Awards.

‘That this council affirms its view to support the establishment of a more effective North West Roads Corridor linking Belfast to Londonderry, including substantive dualling of the entire route.

That is strongly lobbies those with authority to progress any agreed scheme, be it partial or entire, and to pursue any available outside monies for it with immediate effect.

In doing so council not only recognises the travel benefit to residents of the borough but the strong potential for economic growth, not least in terms of tourism, across the entire region.’

This commitment to the lives of both must be reflected in the support provided to mothers, the unborn children and their families throughout their pregnancy. This Council calls for a Perinatal Hospice Care or service in Northern Ireland to be established to provide the best medical and emotional support for those who are faced with the diagnoses of a severe life-limiting condition.’

In accordance with Standing Orders, the Mayor advised that the Notice of Motion be referred, without discussion, to the next Corporate Policy and Resources Committee Meeting.

The Mayor invited Councillor Stevenson to state his Notice of Motion.

'That in the interest of inclusivity, accuracy and practicality, that the name Causeway Coast and Glens Borough Council be changed to a singular name instead of a double name attached to a particular area which is not inclusive of the entirety of the four legacy councils which amalgamated, and that an equality impact assessment be carried out on the current Council name if it is not changed'

In accordance with Standing Orders, the Mayor advised that the Notice of Motion be referred, without discussion, to the next Corporate Policy and Resources Committee Meeting.
