14. Notice of Motion proposed by Councillor C McShane, seconded by Councillor K Mulholland

'That this Council notes with concern the proposal by CCMS to close Barnish Primary School in Carey; recognising the vital contribution that the school makes to the sustainability of the rural community.'

'In supporting the 'Battle for Barnish', and the local community, this Council will write to the Permanent Secretary of the Department for Education to voice our opposition to this proposal''

15. Notice of Motion proposed by Councillor C McShane, seconded by Councillor K Mulholland

'This Council notes with grave concern the recent survey carried out in parts of our borough by a British owned company "Radioactive Waste Management" to identify potential sites for the disposal of nuclear waste.'

Furthermore, this Council registers our unequivocal opposition on behalf of its

citizens, to any potential geological disposal facilities or further surveys anywhere in Causeway Coast and Glens, by writing to the UK Secretary of State and the Minister for Business, Environment and Industry, outlining our concerns"

16. Notice of Motion Proposed by Councillor K McGurk, seconded by Councillor S McGlinchey

'This Council opposes plans to develop a goldmine and processing plant in the Sperrins and wider region. Given the serious health and environmental risks involved, this council is opposed to the use of cyanide for mining purposes, which also contravenes the European Parliament resolution of 27 April 2017 on the implementation of the Mining Waste Directive (2006/21/EC)
