Under the provisions of Regulation (EC) No 853/2004 of the European Parliament laying down specific hygiene rules for food of animal origin, establishments producing animal products are required to be approved by the district council in whose area they are situated.

The following establishment has applied for approval due to a change of business owner:

- **Lacpatrick Dairies NI Limited Ballyrashane Creamery** (previously Ballyrashane Creamery Limited), **18 Creamery Road, Coleraine, BT52 2NE.**

The establishment is an integrated premises whereby enforcement responsibility is split between Causeway Coast & Glens Borough Council and the Department of Agriculture and Rural Development (DARD) and therefore a joint inspection has recently taken place by both agencies and officers from the Food Standards Agency. The establishment was found to generally comply with all relevant legislation.

Recommendation

It is recommended that full approval is granted to this establishment.
