### **1.1 Background**

Council implemented a new Debt Management Policy in April 2016. Following presentation of a debt management report at January committee the policy has been revised.

### **1.2 Detail**

At the January meeting of this committee some member felt it would be acceptable to delegate authority to the Chief Finance Officer with respect to the writing off of debts which are deemed irrecoverable. The attached updated policy has included this suggestion setting the level of delegated authority at £1,000 with any debt larger than this requiring Council approval before write-off.

### **1.3 Recommendation**

It is recommended that the updated Debt Management Policy be approved with effect from 1 March 2017.

The Credit Controller will seek recovery of the debts referred above in accordance with the procedure outlined below in 5.2 below.

## **5.2 Recovery of Debt**

### **Follow-Up Procedure for Collection of Outstanding Debts**

**Before instigating these procedures, care must be taken to ensure that the Council has not received payment.**

A written record of all actions taken including any must be made in the Finance Department.

The procedure for recovery of debt is as follows:

- (a) The Finance Department will contact debtors by telephone where the amount owed justifies the time involved.
- (b) 1 month after issue of invoice:  
  
Statement issued to the Debtor detailing the outstanding debt.
- (c) 1 month after statement:  
  
Final Notice Issued to the Debtor requesting payment and giving notice that legal action will be taken to recover debt and that service will be withdrawn, unless the debt is settled within 7 days, without further notification.
- (d) Legal action commenced and consultation with service department regarding withdrawal of service. The Legal Action Notice template to be used is attached as appendix 1.

Any agreement made shall be authorised by the Chief Finance Officer. The repayment arrangement form template to be used is attached as appendix 2.

The Finance Department shall ensure the timely commencement of legal action depending on whether the debt was invoiced monthly or quarterly in accordance with the terms of business applicable with the originating service or department

### **5.3 Bad Debts**

At the commencement of the Legal Action stage in 5.2(d) above the debt will be classified as doubtful and the Credit Controller shall notify the Chief Finance Officer that this has occurred. The Chief Finance Officer will make a provision for that debt in Council's accounts

**No item should be written off as a bad debt unless all reasonable steps have been taken to recover the amount.**

A debt can be written off if it falls into one of the following categories

- (a) All legal options have been explored and exhausted with no success.
- (b) A debtor has moved premises and all attempts to trace have proved unsuccessful
- (c) The costs to be incurred in pursuing the debt outweigh the potential benefits
- (d) The debt is older than the statute of limitations (6 years) and court proceedings have not been commenced within the 6 years.

All debts following consultation and agreement with the relevant Director/ Senior Manager may only be written off when approved either:

By the Chief Finance Officer for debts up to £1,000; or

By the Corporate, Policy & Resources Committee and subsequently ratified by the Council where the debt is in excess of £1,000.

In order that the value of debtors may not be overstated in the Council's Balance Sheet at 31 March in any year the Finance Department should examine the sundry debtors' lists each month and arrange to have bad debts dealt with by the procedure as outlined above. The Credit Controller will on at least a quarterly basis meet with relevant Directors/Heads of Service/Service Managers to review outstanding debtors.

#### **5.4 Procedure for writing off bad debts up to £1,000**

The Chief Finance Officer having approved that the debt should be written off will prepare an information report for the Corporate, Policy & Resources Committee on at least a quarterly basis. The report must indicate:

- The amount of the debt
- The service provided which gives rise to the debt
- The account reference of the debtor
- The Chief Finance Officer to advise if in their view all reasonable steps in accordance with the Council's procedure have been taken to recover the debt.

#### **5.5 Procedure for writing off bad debts in excess of £1,000**

The Chief Finance Officer having approved that the debt should be written off will prepare a report item for decision for the Corporate, Policy & Resources Committee on at least a quarterly basis. The report must indicate:

- The amount of the debt
- The service provided which gives rise to the debt
- The account reference of the debtor
- The Chief Finance Officer to advise if in their view all reasonable steps in accordance with the Council's procedure have been taken to recover the debt.

When the Council has approved the Committee decision the Credit Controller will update the Sales Ledger and other records accordingly and will also notify relevant departments of any debts written off and it is once again the responsibility of all departments to ensure that all bad debtors notified to them are no longer permitted to use fee based Council facilities/services unless payment is received in advance
